"Crafting Excellence: The Naval Boat Building Yard's Journey in Small Craft Business"

Welcome to the world of exquisite craftsmanship and innovation, where the Naval Boat Building Yard (NBBY) of the Sri Lanka Navy (SLN) stands as a beacon of excellence in the realm of small craft construction. With over two decades of unwavering dedication and expertise in crafting Glass Fibre Reinforced boats, NBBY takes immense pride in its track record of delivering performance-proven vessels.

At the heart of its success lies an unyielding commitment to serving its primary customer, the esteemed Sri Lanka Navy. NBBY has meticulously designed and manufactured two major products that have become synonymous with reliability and efficiency - the Wave Rider Inshore Patrol Craft and the Cedric (Arrow) boat, purpose-built to fulfil the demanding operational needs of the SLN.

Having honed its skills and embraced a culture of innovation, NBBY's horizons expanded beyond military craft. Venturing into uncharted waters, it diversified its product range, catering to both military and non-military clients. Leveraging its hard-won expertise, the yard began customizing craft for local and foreign buyers, earning accolades for its adaptability and ability to tailor vessels to specific requirements.

PRODUCT PORTFOLIO

1. Wave Rider IPC
2. Accommodation Type Wave Rider IPC
3. Air Conditioned Accommodation Type Wave Rider IPC
4. Fast Landing Craft Utility
5. Admiral's Barge
6. Ambulance Craft
7. Passenger Craft
8. Passenger Ferry
9. House Boat
10. Lagoon Craft
11. Dolphin Craft
12. Cedric Craft
13. Fiber Glass Dinghy
14. Enterprise Class Sailing Boat
15. RHIB
16. Kayak
17. Kayak – K 1 Type
18. Canoe – C 1 Type

**WAVE RIDER INSHORE
PATROL CRAFT**

**" Seakeeping. Shallow Waters.
Supreme Maneuverability"**

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Range – 160 NM @ 30 knots

ADMIRAL'S BARGE

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Passengers – 25 No's

Max. Speed – 28 knots

" More Space, Same Performance"

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Range – 225 NM @ 16 knots

**ACCOMMODATION
TYPE WAVE RIDER IPC**

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Patients – 25 No's

Max. Speed – 28 knots

Length – 15 meters

AMBULANCE CRAFT

**AIR CONDITIONED
ACCOMMODATION TYPE
WAVE RIDER IPC**

**" Expansive Comfort,
Seamless Adventure"**

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Range – 180 NM @ 16 knots

PASSENGER CRAFT

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Passengers – 30 No's

Max. Speed – 28 knots

Length – 15 meters

" Swift Shore Entry "

Main Engines – 02 x 350 HP Inboard Diesel

Propulsion system – 02 x Waterjet

Crew – 08 No's

Range – 190 NM @ 16 knots

Length – 13 meters

**ACCOMMODATION
TYPE WAVE RIDER IPC**

Length – 13.76 m

Breadth – 4.0 m

Draught – 0.464 m (at Half Load)

Propulsion – 2 x 80 hp Outboard Motors

Crew – 05 No's

Passengers – 50 No's

Max. Speed – 12 knots

PASSENGER FERRY

HOUSE BOAT

Length – 16 m
Beam – 9.2 m
Deck area – 130 sq. m
Passengers – 36 No's
Propulsion – 2 x 40 hp Outboard Motors

Length – 5.48 m, **Beam** – 1.82 m,
Passengers – 10, **Propulsion** – 40 hp OBM

Length – 4.3 m, **Beam** – 1.61 m,
Crew – 02, **Weight** – 94 Kg

Length – 8.22 m
Beam – 2.55 m
Max Speed – 16 knots
Passengers – 28 No's
Propulsion – 1 x 75 hp Outboard Motor

LAGOON CRAFT

Length – 7.24 m, **Beam** – 2.75 m,
Weight – 2090 Kg, **Max Speed** – 30 Knots,
Propulsion – Inboard Diesel with Sterndrive

Length – 3.73 m, **Beam** – 0.85 m,
Crew – 02, **Weight** – 31 Kg

DOLPHIN CRAFT

Length – 6.3 m
Beam – 2.1 m
Max Speed – 34 knots
Passengers – 07 No's
Propulsion – 1 x 200 hp Outboard Motor

Length – 5.2 m, **Weight** – 12 Kg

Length – 5.2 m, **Weight** – 12 Kg

"Maritime Excellence: Craft Supplied by Sri Lanka Navy's Naval Boat Building Yard to Outside Customers"

Length – 7.2 m
Beam – 2.3 m
Max Speed – 44 knots
Crew – 04 No's
Propulsion – 2 x 200 hp OBM
